Ref: Guidance for returning

Dear parents/carers,

We hope this letter reaches you in the best of faith and health.

From tomorrow; Saturday 12th September students will be returning to the Jamia In Shaa Allah (swt).

May Allah (swt) grant us all a safe return and success in the journey ahead. Aameen.

Guidance for return

- 1 – Use private transport and don't share cars according to government guidelines. Once you reach the Jamia, stay in your car until a member of staff reaches you.
- 2 – A paper token will be given and we will categorize in to groups according to parental contributions and direct you to the residential or admin office as relevant. No parents allowed in the office and staff will communicate through the reception office window.
- 3 – Only one female family can accompany the student to the room to help with luggage. You must wear mask, gloves and keep a safe distance from others whilst walking on the right hand side in the premises.
- 4 – Please bring your own prayer mats if you wish to pray Zohar whilst you are here. Ladies will pray in the gym hall whilst men will pray in the men prayer hall but will access from the side entrance only.
- 5 – Students can bring home food only to be consumed at that meal time. Unfortunately, there will be no food arrangements for parents inside the Jamia as usual so please bring packed lunch with you.
- 6 – Any students arriving on Saturday will be asked to clear their belongings from their previous rooms and move everything to their new rooms.
- 7 – Timings will be 10am to 2pm very strictly for **Saturday**. No cars will be allowed in after this time so please try to come early and avoid the rush/crowd.
- 8 – Sunday – 10am to 3pm as more students are expected to return on this day. No cars will be allowed in after 3pm so please adhere to these timings.
- 9 – New students arriving for residential on Tuesday will be expected to arrive between 10am and 2pm.
- 10 – Current day students will start on Monday 8.30am and new day students on Wednesday 8.30am.

Shopping list reminder;

List of things students need to bring from home for extra precautions from Covid-19;

- Every student should their personal stationary items - no sharing with others.
- £4 to purchase additional pack of 10 exercise books – this is to reduce the need to stock up again and is a strong recommendation. You can request this alongside the pack of 10 you will receive with books package.
- Enough tissue for sneezing/nose, shampoo etc.
- Foam disposable plates, bowls, spoons, cups etc. to be enough for 4-5 weeks. These are for busy times like lunch as we do not want students to queue up for washing dishes due to prayer and lessons timing restrictions.
- 1 high quality microwavable plate, bowl, mug etc. This should preferably shatter proof for safety reasons.
- Masks/Niqab to be worn at all times where social distancing is not possible.
- Hand sanitizers – small bottle to be kept at all times and no sharing.
- Anti-bacterial wipes (shouldn't contain bleach)
- Gloves
- Enough socks to be changing on a daily basis
- A minimum of 2 sets of uniform
- Qurans / Quran Translation – no sharing
- Personal prayer mat to use at all times during prayer time
- Ketchup, Mayo, chilli sauce sachets only. Bottles were previously kept in shared fridge but we do not want students crowding to access these.
- Please remember that no food should be kept in bedrooms due to health and safety policy. Dry foods maybe stored in student's personal storage.
