RE: Half Term October 2021

Dear parents/carers,

We hope you are in the best of health and Iman. We would like to thank you for your cooperation and support this academic year. We also would like to especially thank the parents who attended the recent graduation event which was a great success Alhamdu Lillah!

May Allah SWT accept all our students to serve their respective communities in the best way possible. Aameen.

We are writing to confirm that students will be breaking up for the holidays Thursday 21st of October 2021 at 4pm. Students will return on Sunday 31st of October 2021 from 12pm to 3pm.

Tips for Holidays

We recommend parents to spend some valuable time with their daughters during these holidays. We also hope that students will stay in touch with their studies and also share what they have been learning about with their family and friends. Students need to endeavour to practice what they have been learning through their character and prayers on time In Shaa Allah.

One particular concern that teachers and staff have noted and we would like to share with you is 'E-Safety'. We have learnt through discussions with students how they are sometimes given unlimited access to various internet devices and this has an adverse effect on their learning and behaviour. Please ensure that there are adequate measures in place for students to be productive during their holidays and protect them from unsuitable trends and content. This is also a big national topic in terms of safeguarding especially after the lockdown.

Parental Contributions

Any parents who were unable to update the parental contributions/book payments, are advised to contact admin@jamiaalhudaa.com through this week and the holiday week so everything can be up to date before students return. This is very important as Jamia Al-Hudaa needs your parental contributions to continue the activities taking place.
