## **RE: Remote Learning & Parental Contributions**

Assalaamu Alaikum Dear parent/carer,

We hope you are in the best of health and Iman. We would like to thank you for your cooperation and support through these difficult times and as it seems, we may require further patience and resolve to be successful in the months approaching. May Allah (swt) protect us all and enable us to continue together in this journey of sacred knowledge.

As you may be aware, in light of the latest government announcement and lockdown, we are unable to continue classroom based lessons until further notice. We would like to update everyone that In Shaa Allah (swt) we will be moving to remote learning via Zoom and Google classroom from next Monday 11<sup>th</sup> January 2021. We have decided this as we feel that another 2 month break will be too difficult to recover from once students return.

Please ensure that your child has internet connection on a device which has Zoom installed and they can use without any interruption. We expect students to have a private and quiet room (with no-one else present) and their camera should be turned on during the lessons with microphone on mute unless requested by the teacher. All policies in terms of code and conduct will apply to the online context as mentioned before with Google classroom.

Zoom links will be organised according to teacher names and will be sent in time for Monday start.

GCSE students already have work to submit on the Google classroom and new work has also been set by teachers for them to complete.

## **Parental Contributions**

**We want to emphasise that the online teaching will only be possible with the financial contributions up to date.** Please arrange all 2<sup>nd</sup> parental contribution payments to be up to date as soon as possible to avoid any disruption.

Please contact us by email for any further clarification.
