RE: Important Update

Please note that this is generic correspondence sent to all parents and guardians.

Dear parents/carers,

We hope you are in the best of health and Iman. We would like to thank you for your cooperation and support through these difficult times. May Allah (swt) protect us all and enable us to continue together in this journey of sacred knowledge.

Brief Update

- Preparations are ongoing for this Sunday 14th of March 2021 for boarding students and Monday 15th March for day students.
- However, we are experiencing issues with our Fire alarm system. We have consulted the professional maintenance team and they are working on the issue. We are hopeful that it will be done and will update you by Friday afternoon. **We feel it is important to mention this as if it does not get resolved then this will delay the students returning this Sunday.**
- Covid testing will take place on return for all staff and students (residential and day). Timing and schedule will be sent out to parents soon In Shaa Allah (swt). We will also provide instructions regarding the testing. Due to testing, please expect an earlier schedule than normal and that is why students have no lessons on Friday to prepare for their return.
- Remote learning for Thursday means that work will be uploaded on the Google Classroom. Students must submit and upload the work during the lesson time.
- Please note that attendance is mandatory and required. No arrivals on any other date except by prior appointment via secretary@jamiaalhudaa.com .
- Parental contributions must be settled before and you can contact via admin@jamiaalhudaa.com for any enquiries. This will be checked at the gate upon return before the Covid testing.

Please contact us by phone or email for any further clarification.
