

Jamia Al-Hudaa

A Residential Dar-ul-Uloom for Girls

6th April 2021

RE: April 2021 Holiday

Dear parents/carers,

We hope you are in the best of health and Iman. We pray that Allah (swt) rewards you for your cooperation and support through these difficult times. May Allah (swt) protect us all and enable us to continue together in this journey of sacred knowledge. Aameen.

Time for Departure

The final day for **day students** will be Friday the 9th of April 2021. **Residential students** will be leaving on **Saturday 10th of April 2021**. The time that has been set is from **10am to 12pm**. This will be the same time for all year groups, and we request that social distancing is always maintained. Staff will be available at Jamia for some time after this and gates will be closed at **2pm**.

Very Important Note

We are requesting the parents to also ensure that students take all their books and learning resources with them. Staff will be reminding the students but if parents ensure that they do not leave before checking this, we are confident that all students will remember to take their books with them. This is necessary for the remote learning at home during Ramadan and is a good practice in general.

New Applicants 2021-22

Alhamdu Lillah, the first group of applicants have been interviewed remotely and we hope to have some form of an open day especially for those who have not seen the Jamia before. Most applicants are referred by past or current parents so Jazaakumullah Khairan for your support in this matter. If you know anyone who maybe interested, please refer them to the application form and medical form on our website. The sooner we receive, the more chance spaces are available for their daughter(s).

3rd Instalment April 2021

Please remember to update parental contributions via bank transfer or phone call payment as soon as possible. We have tried our best to give parents as much time as possible during these difficult times but the parental contributions are the only form of income that enables the Jamia to operate.
